(Notes: WSC members Hoegh Autoliners, Wallenius Wilhelmsen Logistics, ACL, K-Line, MOL and NYK also operate roll-on roll off (RO RO) vessels in the U.S. trades. The non-containerized cargo volumes from those operations are not included in the above TEU figures. WSC member Malaysia International Shipping Corporation (MISC) is not currently calling at U.S. ports and WSC member Pacific International Lines (PIL) did not begin calling U.S. ports until 2007.)

TEU means twenty-foot equivalent unit. Most containers in U.S. commerce are forty-foot equivalent units, which are equal to 2 TEU.
